NZ TRAINING ESTABLISHMENT OF THE YEAR

2014 2016
2017 2018

Welcome to *PBRS.*

Since 2000, PBRS has trained people for careers in cookery, food and beverage service and hospitality management in the heart of Auckland.

Our four New Zealand Training Establishment of the Year awards, in 2014, 2016, 2017 and 2018, belong to every student and tutor who has worked in our kitchens and our training restaurant.

We are proud of that record, and we are focused on what comes next: giving every student quality teaching, real industry experience and support into employment.

I look forward to welcoming you to PBRS.

5 *modern commercial kitchens and a working restaurant.*

Kia ora, and welcome to *PBRS.*

Our tutors are a mixture of trained professionals, young and old, who have been teaching for some time, and chefs fresh from the industry with the relatable industry knowledge our students need to succeed at industry level. All staff participate in regular professional development programmes during the term breaks to increase their practical and academic skills. This is then passed on to the students, giving them the best possible learning experience and outcomes.

Our chef tutors are passionate about what they do and make sure that our students have a thorough understanding of the basic and advanced principles of professional cookery needed in their everyday work environment. They are always on hand to give extra information if needed, and are prepared to stay on after class to do one-on-one coaching if required.

We invest a lot of time and resources in our students to compete at regional and national levels in the culinary and hospitality competitions held each year in Auckland. Extra time is spent outside the classroom to encourage and enhance the students' skills so that they can achieve their dreams and aspirations.

We have five modern commercial training kitchens as well as a fully functional restaurant that provides real-world experience to our students and invited guests.

I look forward to personally welcoming you to PBRS.
